

SkeeterSoft's National Pastime III Simulated Baseball Game

Double Switch

Dodgers have base runners on 1st and 3rd with no outs; batting in the top of the 4th. The Met manager wants to double switch by taking out **Lucas Duda** (LF) and replacing his spot in the batting order with pitcher **LeTroy Hawkins**. And at the same time **Dillon Gee** (P) is replaced by a new left fielder **Rick Ankiel**.

To remove player during game Double-click on player name

Step 1 - Place Mouse pointer over **Lucas Duda's** name and double-click.

Step 2 - In the dialog box scroll down to **LaTroy Hawkins** and double-click on his name. Next; click on the radio button **Change Player**. Next; click on the radio button **Pitcher** (it changes from Leftfield to Pitcher).

Click the OK Button

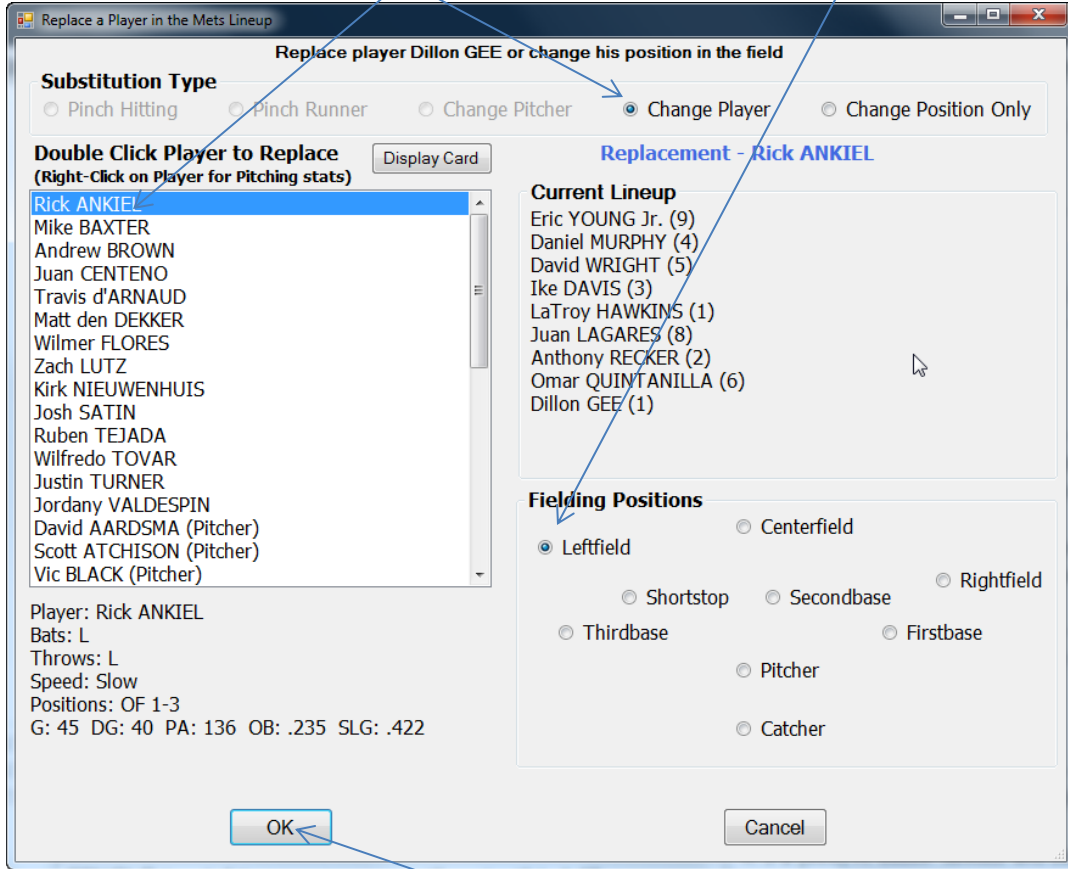

This step brings **LaTroy Hawkins** into the game to pitch and places him in Lucas Duda's place in the batting order.
